

Bubble

Polycell's Air Bubble Roll Stock has a wide range of applications. Depending on your needs, we can convert it into pouches, sheets or slit into different roll sizes. Anti-static is available upon request, and we also have the ability to laminate our roll stock with film such as MPET, LDPE, and etc.

For additional information on minimums, pricing, and our drop ship and will call programs, please contact your Polycell sales representative or our customer service department.

Thank you for choosing Polycell as your business partner.
