

Foam

Polycell's PE Foam Roll Stock has a wide range of applications. Depending on your needs, it can be converted into pouches, sheets, or slit into different roll sizes. Our PE foam products have both standard and anti-static (custom item) forms, and we also have the ability to laminate our roll stock with film such as HDPE, LDPE, and etc.

For additional information on minimums, pricing, and our drop ship and will call programs, please contact your Polycell sales representative or our customer service department.

Thank you for choosing Polycell as your business partner.
